

## **Board Self Evaluation**

**106**

The Board shall meet annually to review its functioning as a Board and to evaluate Board performance. The evaluation plan approved by the Board will be facilitated by the Board President working with the Superintendent.

Evaluation instruments for Board operation may be used in the process. (Ref appendix 106A)

The Superintendent, and others who regularly work with the Board, including community members, may be asked to participate portions of the evaluation.
