

## **Budget Implementation**

**420**

The Superintendent will be responsible for the monthly reconciliation of the budget. The Board will be provided with monthly reports concerning the status of the budget and a quarterly report projecting budget revenues and expenditures for the remainder of the year.

The status of the budget report may include, but is not limited to, Budget Adjustment Requests (BARs), adjusted budget, range to date, year to date balance, encumbrances, budget balance, and FTEs.
