

August 12, 2016

Dear Parents:

Welcome back to another school year! I am your child's Art and Photography teacher, Mrs. Sabato

There are two requirements for this class:

1. A \$10 lab fee - cash or check made out to PVMS; I will give your child a receipt.
1. A composition notebook. These are available at any store that sells school supplies, and are also available for student purchase at the school store for 50¢. These will be labeled with your child's name and left in the classroom.

The \$10 lab fee is due **or** a note from the parent exempting the student from the lab fee for financial reasons.

For disruptive classroom behavior, the PVMS discipline procedure is as follows:

- 1st incident: Warning/classroom consequence
- 2nd incident: Warning/classroom consequence
- 3rd incident: Classroom consequence and parent contact.
- 4th incident: Disciplinary referral ("write-up")

*I have an asthmatic allergy to perfume, this includes perfume/body spray/scented lotion. I tend to have an allergic reaction if the student sprays or applies scented items just before entering my classroom (or in the classroom), so please discourage your student from either applying these items in the morning or bringing these items to school. Underarm stick deodorant is fine and I always have a big bottle of "Aveeno unscented" lotion for student use. Please email me if you have any questions or concerns at sabato@pvs.k12.nm.us.

I invite you to contact me at the school if you are an artist and would like to demonstrate your style of art to the class, and we could do an associated project. The students really enjoy contact with artists in the community. Please email me at sabato@pvs.k12.nm.us or send a note with your child.

Looking forward to a great year!
Sincerely,

Lauren Sabato
