

Parents,

PMS Children's Services is partnering with Pojoaque Valley Schools to give your child the opportunity to get a full day of services.

Is your child currently enrolled at Pojoaque's Pre-K program in a double session? Currently, Pojoaque Pre-K offers both a morning and an afternoon class session. Morning is from 8:30am-12:00pm and the afternoon session is from 12:00-3:30pm. If you would like to participate in full day services, we can help.

PMS Head start is offering available spots in our morning and afternoon classrooms for children between the ages of 3-5:

-If you would like to enroll your child in the morning session, it will be from: 8:00 am-11:30 am Monday-Thursday

-If you would like to enroll your child in the afternoon session, it will be from: 12:30 pm- 4:00 pm Monday-Thursday

*We are also accepting children, ages 3 to 5 years that need services and might not be enrolled in Pojoaque's Pre-K program.

Additionally, free transportation is available from site to site.

What is Head start? Head start is a national federal program that promotes school readiness by enhancing the social and cognitive development of children through the provision of educational, health, nutritional, social and other services to enrolled children and families. This federally funded program is recognized as one of the most cost-effective and successful programs in the nation for children. All services are free of charge.
