A very special THANK YOU to all our veterans who helped protect our country. PVIS appreciates you and your service.

Battle of the Books has already started. Students will be expected to read 20 books from various genres, remember key details from these stories, book titles and authors. They will have the opportunity to attend the state competition in the spring if they commit to the club and complete the required readings.

Box Tops for Education

We are always collecting BOX TOPS as an easy way to generate extra money for our students. Please collect at home and send them to your child's classroom. Money earned will be used for prizes for the Pride cart! Thank you for your help.
