Dear Parents/ Guardians:

Welcome to the 2016/2017 school year. I am the Student Services Provider for students with Special Needs. My name is Susan Gallegos; I have a Bachelor's Degree in Communicative Disorders and a Master's Degree in Education Leadership from the New Mexico Highlands University.

I have been teaching for 22 years.

I will be assisting the General Education teachers to implement Modifications and Accommodations for students that qualify for Individual Educational Plans.

My email address is sag@pvs.k12.nm.us.

Thank you for your support and I am looking forward to working with all the students here at PVMS!
