The menu will consist of: turkey, mashed potatoes, gravy, green beans or corn, stuffing, a roll, pumpkin pie, and a milk or juice. The event is scheduled to happen during lunch waves with a slight modification to be able to accommodate 600 students and their families. The schedule is as follows:

Lunch tickets can be purchased prior to the event or on the day of; \$3 for adults and \$2.20 for children. It would be to your advantage to purchase a ticket from the front office ahead of time as this event becomes quite crowded due to the amount of students at PRES. Tickets will not be sold in the cafeteria only the front office. They will be available to purchase beginning Monday, November 13, 2017. Thank you.
