

- A. Early Childhood. The student must be at least three years of age at any time during the school year of enrollment and eligible to receive special education services.
- B. Kindergarten. The student must have attained the fifth birthday prior to 12:01 a.m., September 1 of the year of enrollment.
- C. First Grade and Subsequent Grades.
 - 1. The student must have attained the sixth birthday prior to 12:01 a.m., September 1 of the year of enrollment. An exception will be made for any child who comes to the District from another state having attended the first grade in that state for not less than sixty (60) days and whose birthday falls on or before December 31 of the year of enrollment.
 - 2. After completion of the first grade, a student who applies for initial admission to the District's schools by transfer from a non-public school or from a schools outside the District will be initially enrolled at the grade level the student attained elsewhere pending evaluation by classroom teachers, guidance personnel, where available, and the school principal. After such evaluations have been completed the principal will determine the final grade placement of the student.
- D. Beyond Age of Majority.
 - 1. No student shall be enrolled in special education that has attained the age of twenty-two prior to the beginning of that school year, or after the completion of a planned program.
