

Mobile Home Space Rental

435

In the interest of student and campus safety, mobile home space owned by the Pojoaque Valley School District, may be rented in exchange for security services. First priority will be provided to law enforcement officers, second priority to security officers, and third priority to school employees.

All rental agreements shall be written contracts, renewed on an annual basis, and will include a provision for a fee assessed for utilities to the Lessee and an agreement to provide security oversight. Any rental agreement may be terminated for noncompliance with the District's rental conditions or in the event the tenant is no longer employed or, in the case of law enforcement officers, is not providing security oversight.

All tenants and guests shall adhere to the District's Drug Free and Tobacco Free policies and the District's rental conditions.
