Per District Policy 300 Open Enrollment, students shall be enrolled or re-enrolled in each school unit according to the following priorities:

[] **First**, students residing within the District and who had resided in the District prior to the deployment of a parent who is an active duty member of the Armed Forces of the United States or a member of the National Guard, and whose deployment required the student to relocate outside the District for custodial care.

[] **Second**, students enrolled in a school ranked as a school that needs improvement or graded by the New Mexico Public Education Department as a "D" or "F" school or otherwise designated under state law as a school subject to corrective action.

[] **Third**, students who attended PVSD the previous year, if there is space/program available. "Space/Program availability" means that there must be a program currently offered and that class size limits have not or will not be exceeded. The following factors may be used in order to determine priority for enrollment for third-party applicants:

- [] A. Children of PVSD employees;
- [] B. Siblings of students already attending PVSD
- [] C. Extreme hardship as determined by the superintendent or his or her designee
- [] D. Student safety as determined by the superintendent or his or her designee

[] **Fourth**, all other applicants will be considered, if there is space/program available, according to the factors set forth above.

By signing below, I am certifying that I have read the PVSD Open Enrollment Policy and understand that approval will depend on priority level and space availability. I am also certifying that the information on this application is true and correct. I am aware that falsifying information could lead to immediate disenrollment.
