Re: Donation and Fund Raising for Pojoaque Valley High School Mock Trial Team

For the last twenty plus years, Pojoaque Valley High School has participated in the Gene Franchini High School Mock Trial Program organized by the Center for Civic Values. The Mock Trial Program is a statewide competition which affords high school students the opportunity to debate and compete against other schools in the state in a mock trial setting, with hopes of winning State and earning a spot in the Nationals competition. Mock Trial is a highly complex academic endeavor that requires substantial intelligence, extreme organization, and superior oratory and communication skills. This year's qualifiers are February 8-,9 and the State finals are March 8-9 in Albuquerque.

As you can imagine, it is a very expensive undertaking to fund this competition. There are extraordinary transportation, lodging, and meal expenses to participate in this event. For this reason, the members of this year's Mock Trial are reaching out to Pojoaque Area Businesses and families for assistance to help fund this competitive event. Current members Samantha Baca, Jacob Griego, Gillian Trujillo, Sevanna Vigil, Jennifer Yardman, Eli Archuleta, Joshua Wheat, Chrystal Valdez, Haley Perez, and Delaney Neighbor have participated in various fundraising projects leading up to the competition and will continue to do so.

Please make any donations out to PVHS Mock Trial. Any contributions will be greatly appreciated.

Sincerely,

Marques H. Williams, BA, MPA, JD
