

Pojoaque Valley Intermediate School Daily Schedule

Pojoaque Valley Intermediate School will provide remote learning on Mondays, Tuesdays, Thursdays, and Fridays with students engaged in extension and project learning independently on Wednesdays. At PVIS all students will have a block of Reading /Social Studies and Math / Science instruction, which is a combination of online learning; small group intervention and center-based learning. Students will be provided with an opportunity to complete and practice concepts that are being taught. All students will receive Tewa or Spanish and will attend Special Classes: PE, Music, Computer, and Library.

Teachers will have office hours.

While the specific daily schedule will vary among teachers and grades, instructional time will reflect the following:
